Genesis 1:11-13, 29

God gives us vegetables.
Can you point to the
carrots? God made
crunchy carrots to eat.
Thank You, God, for
giving us vegetables.

Bible Words

"God gives us food"
(based on Psalm 136:25).

Let your child hold a carrot.
Say the Bible Words several
times as you point to the
carrot.

(Sing to the tune "The Farmer in the Dell"
and then let your child enjoy some carrots.)

God gives us crunchy carrots.
God gives us crunchy carrots.
Thank You, God, for carrots.
God gives us crunchy carrots.

Family Outing

Plan a family outing to a pumpkin patch or farmers' market. Talk about how God gives us good vegetables to eat. Let your child pick out a pumpkin to take home. After the trip, enjoy a pumpkin pie together!

Sweet Potato Vine

Cut about 3" off one end of a sweet potato. Suspend the potato by three toothpicks in a glass of water so that the top $\frac{1}{3}$ of the potato is above the water and the bottom $\frac{2}{3}$ is immersed. In about two weeks, a leafy vine should sprout. Thank God for giving us vegetables.
