### Bible Words

**"Jesus loves me"**  
(based on 1 John 3:16).

Pat the Bible as you say the Bible Words. Invite your child to pat the Bible and say the words too.

I love Jesus.  
*(point to self and then upwards)*  
Jesus loves me.  
*(point upwards and then to self)*  
Jesus takes care of my family!  
*(spread arms outward)*

**Things to Do Together**

### Family Dinner Night

Plan one meal when each person in the family helps with part of the meal or by setting the table. Before eating, talk about Jesus' love for your family. Remember to pray and thank Him for His love.

### Who Does Jesus Love?

Gather your family in a circle. Have them pass a beanbag or soft ball until you say stop. Ask, "Does Jesus love you?" That person should respond, "Yes, Jesus loves me!" Make sure everyone gets a couple of turns. Even your young child can nod his head or say yes!
