Dear Parents,

This morning we started back at the beginning. We'll be using the curriculum for *The Jesus Storybook Bible* for our lessons this summer and this morning's lesson was our introduction to the Bible.

The remember verse for this week is Genesis 1:1

In the beginning, God created the heavens and the earth.

Please help your child to memorize the verse and the scripture reference for next time. In class this morning we reviewed the books of the Old Testament. Please continue to review them with your child during the week.

Some things to discuss with your child this week:

- What does it mean that the Bible is all about Jesus?
- Is the Bible mainly a list of things we must do or must not do?
- If the Bible is true, as we believe, then how should that impact how much attention we pay to it?
- What is one thing you learned about Jesus from the lesson?

As a family, spend some time thanking God for His word and for the Lord Jesus.

Have a great week!
